Discussion on a motion to declare Main Street from Gulf Station at East end to Episcopal Church on West end as the "Susquehanna Business District". It was decided to bring this to the attention of the borough solicitor to ask legal advice on this before a final decision was made in order to discuss possible ramifications from making this kind of motion.

The sidewalk issue re: pavers on Main Street and who was responsible for the maintenance, whether it be the business owner or the borough was discussed. There were questions on what prior agreements were made. This was also suggested to ask the solicitor to address.
